

MOCAHMIC

TRAVEL / LIFESTYLE / CULTURE / IDENTITY / IDEAS

CREATOR / HOST / CREATIVE DIRECTOR

Whether she's talking about human behavior or a little-known place in Italy, Micah always has something to say and somewhere to take you, a question to ask, or a story to tell.

Micah is a creator, host, and creative director with a habit of finding the interesting angle in just about anything. From human behavior and identity to food, travel, and culture, her content is driven less by a category than by an unmistakable point of view. After going to Italy for a few months and staying four years, she built a creative world around the unexpected. Her commentary brings humor and curiosity together with a creative director's eye for storytelling.
